

one - Jack bowling

YOU NEED:

A GREEN, 6 MATS, 6 JACKS & 2 SETS OF BOWLS (to set up rinks 5 & 6)

6 RINK OFFICIALS (each to manage a rink & score)

CHALK (for marking zones and position of Jack & Bowls)

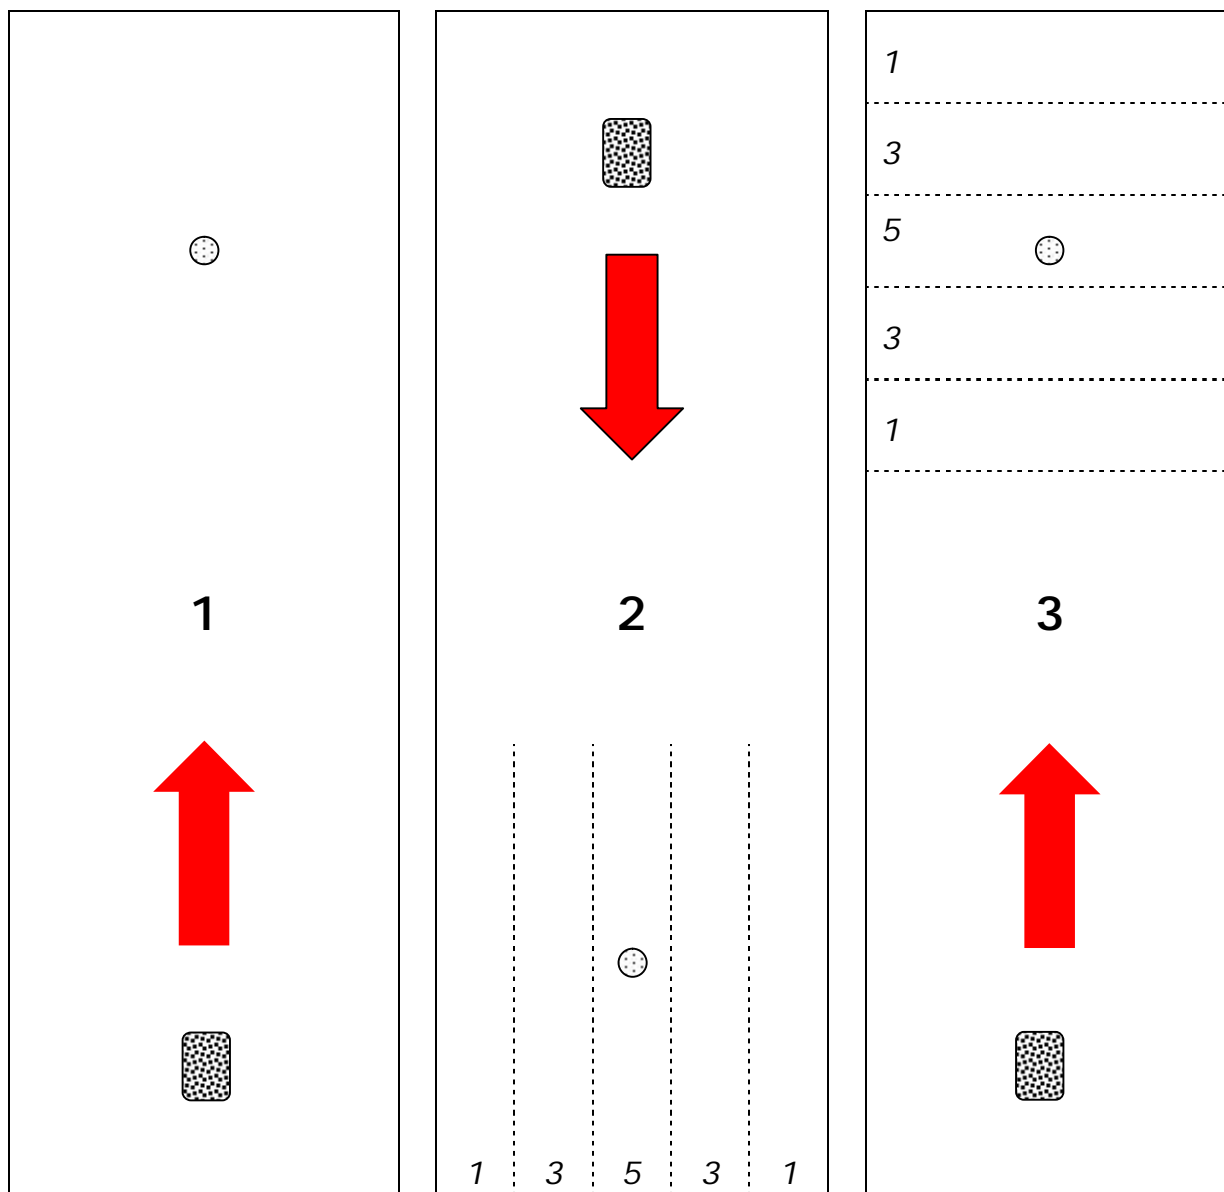

LOADS OF ENTHUSIASM & MASSES OF BOWLERS TO PLAY

THE RULES:

NO PAY, NO PLAY (entry fee of R 10 per round)

THE DECISION OF THE RINK OFFICIAL IS FINAL

HAVE OODLES OF FUN

RINK 1: Trial End – 2 bowls f/hand & 2 bowls b/hand

No scoring – the Rink Official will collect the entry fee and supply a score sheet

Set-up: center the Jack on the 2 meter mark

Wait for the person on the next rink to finish before kicking bowls over!

Please do not waste unnecessary time whilst delivering your 4 bowls!

No bonus points will be awarded for a toucher!

RINK 2: Line Control – 2 bowls f/hand & 2 bowls b/hand

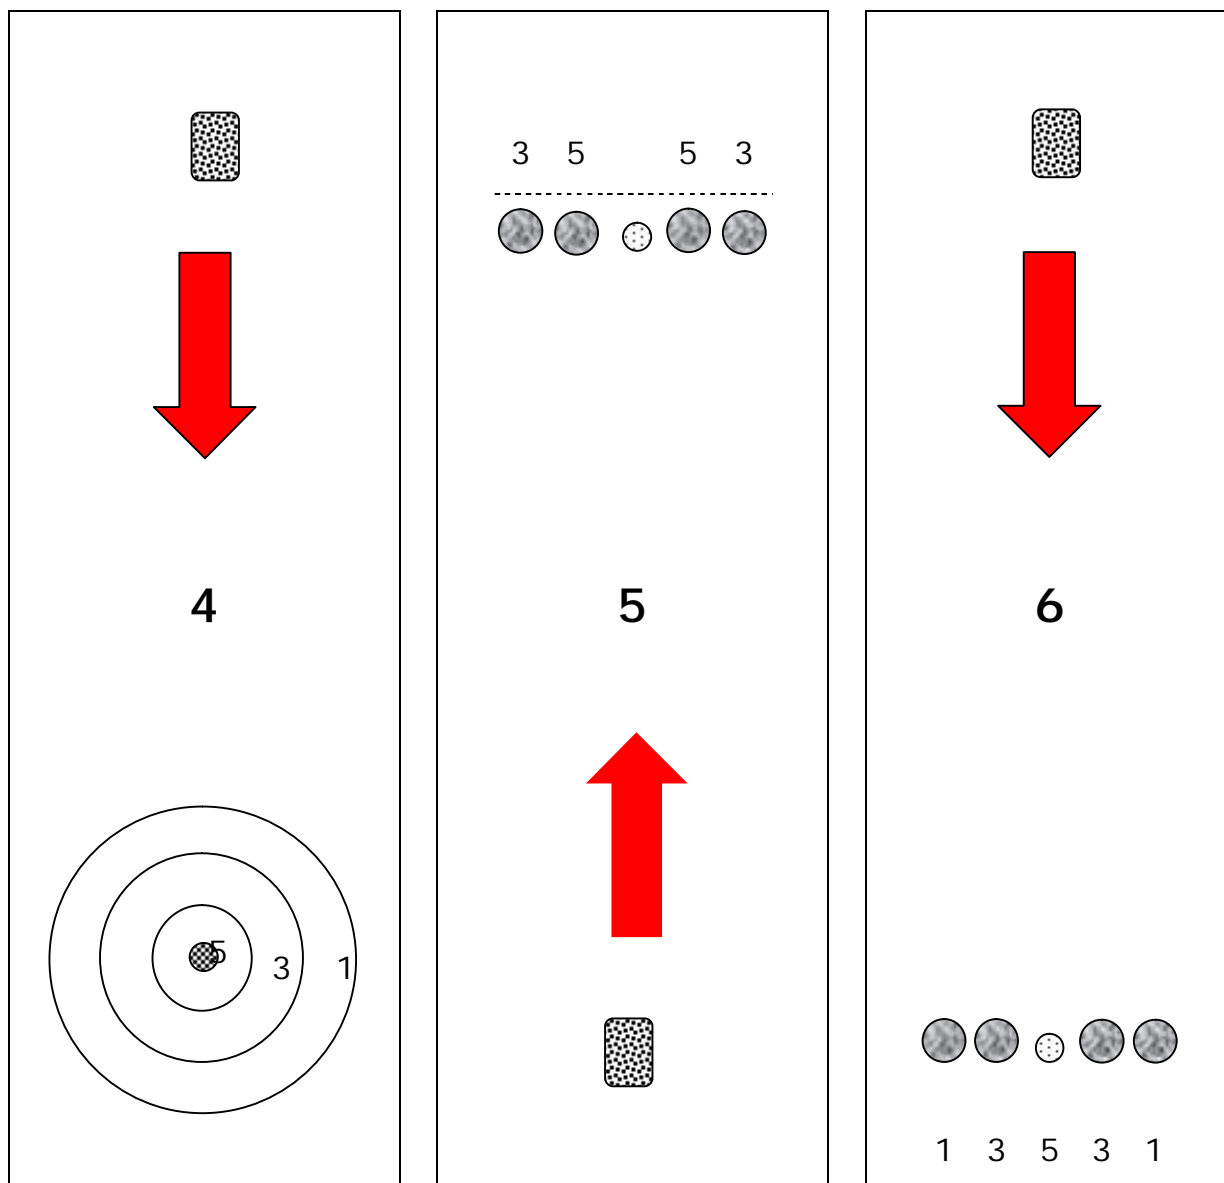

Objective: get as close to the middle line as possible (no need to get close to the Jack)

Set-up: center the Jack 5 meters from the back ditch – bands of 1 meter wide

RINK 3: Weight Control – 2 bowls f/hand & 2 bowls b/hand

Objective: get as close to the Jack as possible

Set-up: center the Jack 5 meters from the back ditch – bands of 2 meters wide starting from the back ditch

RINK 4: Drawing - 2 bowls f/hand & 2 bowls b/hand

Objective: get as close to the Jack as possible

Set-up: center the Jack 5 meters from the back ditch – concentric circles: smallest with radius of 50cm, next with radius of 100cm & third with radius of 150cm.

RINK 5: Chop 'n Lie – JUST OVER DRAWING WEIGHT - 2 bowls f/hand & 2 bowls b/hand

Objective: do not move the Jack, replace bowl next to the Jack with your own bowl

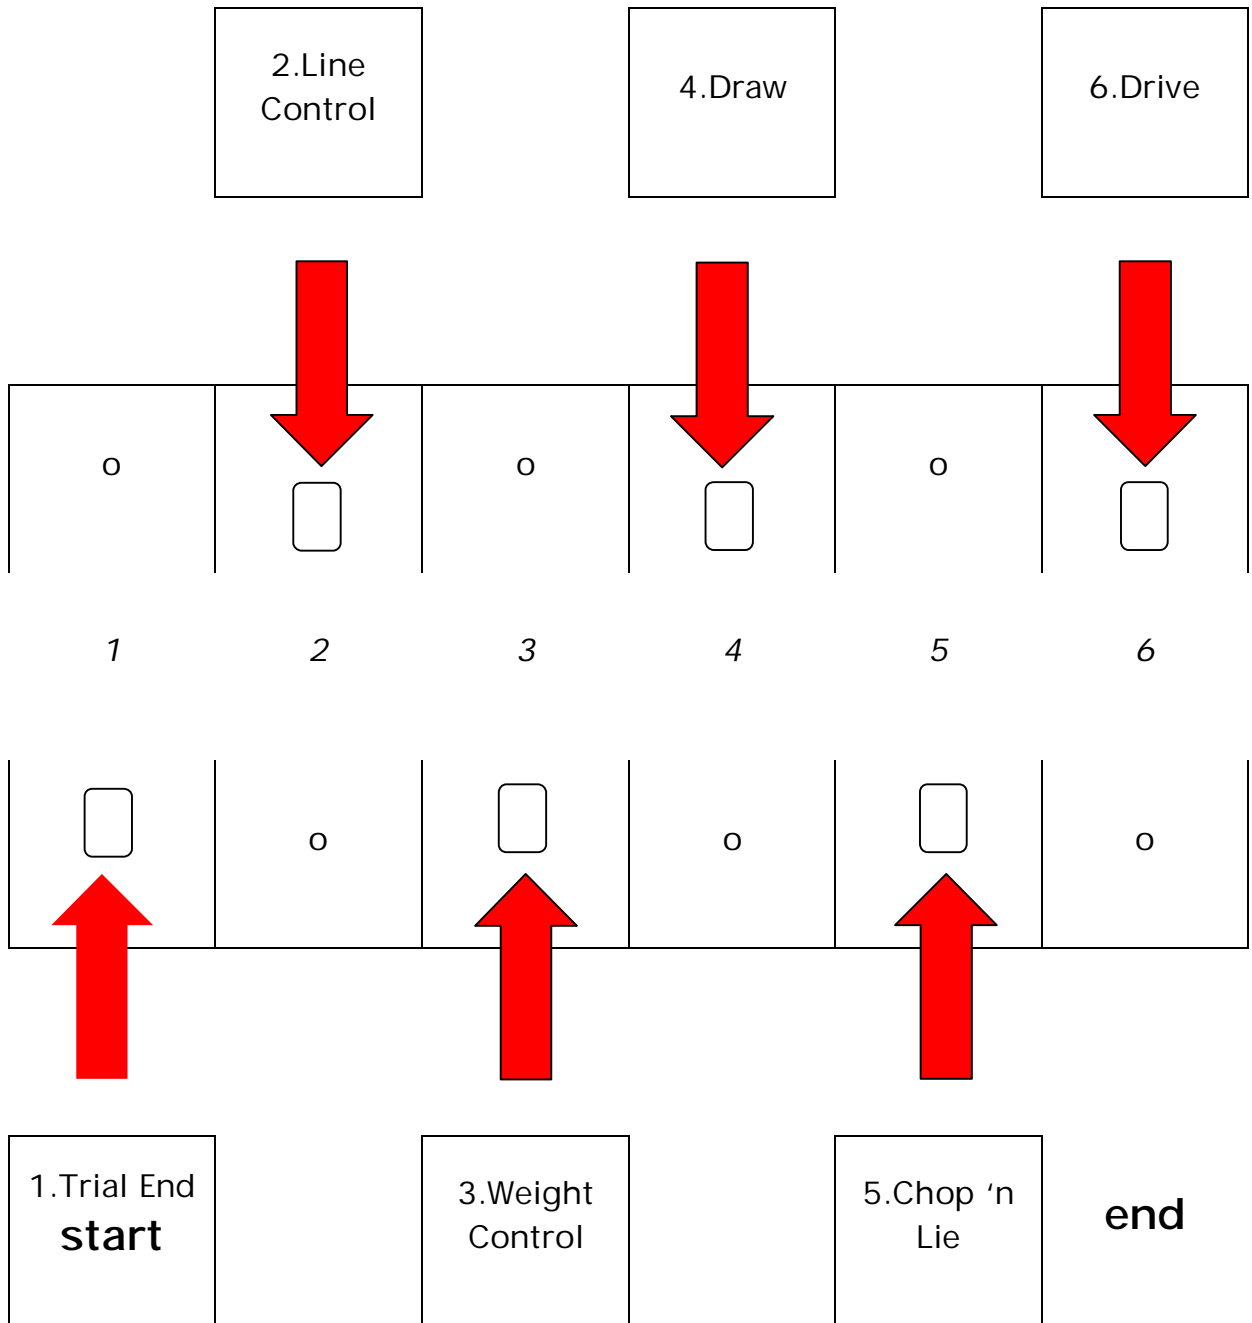

*** No score if your bowl goes beyond the line (50cm) behind the jack!**

Set-up: center the Jack 5 meters from the back ditch – place 2 bowls on each side, jack-high with a “bowl-space” between each. Mark the position of the Jack & bowls with chalk for ease of rebuilding and mark a line horizontal with ditch, 50cm behind the Jack.

RINK 6: Drive - 2 bowls f/hand & 2 bowls b/hand

Objective: Put the Jack in the ditch!

Set-up: center the Jack on the 2 meter mark - place 2 bowls on each side, jack-high with a “bowl-space” between each. Mark the position of the Jack & bowls with chalk for ease of rebuilding.
