WP BOWLS CIRCULAR 2026-66
WP COMPETITIONS 2026-2027: ELECTRONIC SCORING AND RESULTS WITH THE PBA BOWLS MASTER APPLICATION

On behalf of the Executive and Administration of Western Province Bowls, I am delighted to announce an exciting development for our District, made possible through the support of PBA South Africa and Fairtree. This exciting initiative is generously sponsored by Fairtree and will be implemented at no cost to WP Bowls.

WP Bowls has partnered with PBA Bowls Master to manage the scoring and results for WP Bowls competitions during the 2026–2027 season. The Flag, Muter and Trips Leagues will be excluded from the initial implementation and will transition to PBA Bowls Master from the 2027–2028 season.

Many of our members will already be familiar with the PBA Bowls Master application, as several clubs have successfully used the system for their Classics. The platform has proved to be simple and user-friendly for both players and tournament officials. PBA Bowls Master was also used for the recent Western Cape Singles, where it received very positive feedback.

To assist clubs and officials with the transition, an information and training session will be held ahead of the new season. All Club Tournament Officials, Umpires, Markers and interested members are invited to attend.

Date: Saturday, 31 October 2026
Time: 10h00–11h00
Venue: WPCC Bowls Clubhouse

For those unable to attend on 31 October, there will be a virtual information session held as follows:

Date: Tuesday, 3 November 2026
Time: 18h00-18h30
Online Teams Meeting:

We look forward to the cooperation and participation of all our clubs and members as we introduce this exciting development. We believe that the implementation of PBA Bowls Master represents a positive step forward in the administration and presentation of our competitions and will contribute to the continued growth and modernisation of bowls within the Western Province District.
