WP Bowls Circular 2021-61

BSA Database Workshop

The BSA database is an important tool not only for the district but for every club. It provides us all with very important information on our membership. As new committees have been voted in at clubs there may be new people responsible for updating the database. Or maybe you have been doing it for a while and can assist others. Heather Boucher from BSA will be leading a workshop for us via zoom on Tuesday 9th November at 18H00. We would encourage every club to send their database co-ordinator to this zoom meeting. Please register by sending the name of the person, their e-mail address (that will be used for the zoom meeting) and the club name to Jenny Griffiths at treasurer@wpbowls.co.za by Thursday 4th November 2021.

Kind regards,

Gerrit van Milligen
President
(on behalf of WP Executive)
